

Glenferrie Primary School 'Out of School Hours' Program (GOSH):

Information

Glenferrie Primary Out of School Hours Program is referred to as **G.O.S.H.** We are situated on the school grounds, at the **G.O.S.H.** house just a short walk across the oval. The children are able to access the house without going outside the school grounds.

Children from Years 3, 4, 5 and 6 walk themselves over to the house once school is finished.

Children from Prep and Years 1 and 2 are collected by a leader at 3.30pm from the Junior School shelter sheds.

Once the children arrive at the house, they can choose from a wide selection of foods for afternoon tea (For example: apple, orange, watermelon, rock melon, cantaloupe, strawberries, carrot, celery, bread which the children can pick their own spreads or filling to make a sandwich, biscuits, chips, toasted sandwiches etc.). We also provide milk and water all afternoon and we sometimes have icy poles on hot afternoons.

After having a snack, we have a meeting, where all the children meet and a leader informs them what activities are on offer and what movie we are going to watch.

At about 5.30pm everything starts to get packed away and we all sit in the front room and do quiet activities.

On curriculum days, **G.O.S.H.** provides care from 7.30am to 6pm. We run a full day program and the cost will vary depending on activities that are planned.

On school holidays, **Quality Junior Programs** (9543 3077) provide a holiday program. All booking and communication for the program is to be done directly through this company.

Our Hours of Operation:
