

Wednesday 22nd April 2009

Dear Parents,

We are seeking an expression of your interest in buying a quality GPS folder for each of your children to store school reports, certificates and suchlike.

Over the years, many parents have expressed interest in the idea of an attractive folder to store their child's documents and to keep as a keepsake. The Parents and Friends Committee have investigated the costs of printing folders, and we need to confirm that there is enough interest in buying the folders before we commit to having them printed.

The print run will be a one-off, so if you have children starting in the future or children that have left GPS please include them in this order! Please feel free to share this offer with families that may have recently completed their primary education at GPS and include their order with your order.

The folder will be a 50mm wide A4 ring-binder that is printed in the school colours (blue logo on white gloss background). The lining on the inside of the folder will be GPS blue. Included will be a bank of 7 white dividers and some plastic pockets.

We need at least 225 orders to make it viable! Assuming that we get expressions of interest for more than 225 folders we are aiming to have them printed and ready for you so that you will have a new folder to store this semesters report in.

You might like to purchase an extra one to keep all your GPS information in, such as the phone lists, school contact details and other notices.

If you are interested please fill out the form below and return it to school by Wednesday 6th May – no payment is required at this stage.

Thanks for your continued support,

The Parents and Friends Committee

EXPRESSION OF INTEREST IN GPS FOLDERS

Family Name

Name of oldest child at GPS.....

Class.....

We would be interested in purchasing folders @ \$20.00 per folder.

An order of 3 or more folders will cost \$18.50 per folder.
