

## Year 3 & 4 Camp Manyung 2009 Expression of Interest

Dear Parents,

This year the Year 3 & 4 camp will be at Camp Manyung in Mt Eliza. The dates are from Monday July 27<sup>th</sup> to Wednesday July 29<sup>th</sup> 2009.

The camp involves numerous activities, the majority being outdoors. Your role would be to assist where appropriate and be an active member of the camp and school team.

If you would like to assist on this camp we are asking interested parents to complete the below form specifying your reasons for wishing to attend and what skills or experience you may have. Occasionally special circumstances will be considered due to the needs of the students.

In the past we have had more parents interested in attending camp than needed. In order to be able to make a decision as to which parents will attend we will take into consideration the following:

- Parents who have not attended camp previously
- Parents who can commit to attending the camp full time
- Skills or experience of parents for camp

Please be advised that all adults attending camp require a Working with Children Check. (This is arranged through any post office). Final decisions are approved or declined by School Council.

Thank you  
Cathy Taylor  
Camp Coordinator
