## Need some help with your school work?

Don't worry! With **yourtutor** Boroondara Library Service members can get help from specialist subject tutors online – for **free!**

Subjects covered include English, maths, and science for years 4 – 12 and you can also get advice on assignment research and study skills.

You can access **yourtutor** Monday-Friday between 4.00-8.00pm from home, in one of our libraries – anywhere you have an internet connection!

Simply go to the library website:

**[www.boroondara.vic.gov.au/library](http://www.boroondara.vic.gov.au/library)**

Follow the links to **eResources at your library** and select **yourtutor** from the list. Enter the 14 digits of your library card number and then on the **yourtutor** website choose your **year level** and the **subject** you would like help with.

When a tutor becomes available you can then chat, draw, search the internet and share files with each other to help complete your homework.
